

COMING HOME

Silent words surrounding me
Dive into eternity
All my wishes
All my wonders
Coming home to you

My reflections in your eyes
Tell from far off lullabies
All your longing
All your lying
Coming home to me

Hidden treasures hard to see
Cure my sore melancholy
All my mysteries
All my memories
Coming home to you

Silky movements seem to be
Leading to infinity
All your secrets
All your sorrow
Coming home to me
